To the Director,

N/Ref: ENQ2008

Survey about the organizations (private or public) which carry out tests, analyses and calibrations in order to spot the needs in metrology and accreditation.

Dear Madam, Sir,

Within the framework of its activities, the African Committee of Metrology (CAFMET) has launched a survey concerning public or private organizations and laboratories in several Africa countries.

This survey aims to put forward the needs of the various organizations in the field of metrology and the accreditation.

It also concerns any organization which has a department or a laboratory carrying out tests, analyses and calibrations for their own account.

Thank you for taking part in this survey, which is so important for the activities concerned, please feel in the form attached and email it: info@acmetrology.com, or fax it: + 33 2 41 88 84 21 or mail it at the address indicated at the bottom of the page.

The answers of each organization will remain confidential. However, the total statistical exploitation (without giving the name of organization) of this survey will be sent to all the participants involved.

For any further information, do not hesitate to contact us via the above-mentioned email.

Thank you for your co-operation.

Yours faithfully,

Chairman of the African Committee of Metrology

A. Charki
